All India Radio Stations and Television relay centres in Gujarat

1780. SHRI SAGAR RAYKA:

SHRI RAMSINGBHAI PATALIYABHAI RATHVAKOU:

Will the Minister of INFORMATION AND BROADCASTNG be pleased to state:

(a) whether Government has received letters, memoranda and resolutions from various organisations, Government of Gujarat, M.P.s., VIPs, various chambers of Commerce etc. for more All India Radio Stations and Television relay centres at Palitana. Bhavnagar, jamnagar, Surashtra, Kutch and various other parts of Gujarat during the period from 1st January, 1987 to 10th February 1988;

(b) if so. the details thereof, and action taken thereon;

(c) how many All India Radio stations and Television centres and relay centres have "been set up in Gujarat during the last three years; and

(d) how many AIR stations and TV relay centres are likely to be set up in Gujarat during the years 1988, 1989> and 1990 and what are the plans, proposals and estimates of the same?

THE MINISTER OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF INFORMATION AND BROADCASTING (SHRI H. K. L. BHAGAT); (a) Yes, Sir.

(b) Some details may be seen in the enclosed statement. *(See* below). New radio stations are being set up at Ahwa, Surat and Godhra in Gujarat. Besides, the transmitter power at Ahmedabad is proposed to be upgraded to 200 KW MW from existing 50 KW, As regards Doordarshan, a high power (10 KW) TV transmitter each at Ahmedabad, Rajkot and Dwarka and a 100 W TV transmitter each at Bhuj, Vadodra. Surat, Bhavnagar, Patan, Bharuch, Navasari, Veraval, Palanpur, Surendranagar and Amreli are, at present, functioning in Gujarat, TV service in Gujarat is expected to be strengthened when a high power (10 KW) transmitter at Bhuj (in replacement of the existing low p«WSr transmitter) and a 100 W TV transmitted each at Junagadh, Valsad, Ahwa, Godra and Porbandar are commissioned into service in Gujarat during the remaining part of the Seventh Plan period. Extension of TV service to the remaining uncovered parts of the State would depend upon the availability of resources for this purpose in future plans of TV expansion.

(c) *Doordarshan:*

Besides establishment of the TV studio at Ahmedabad, replacement of Low Power Transmitter at Dwarka by a high power (10 KW) TV transmitter and augmentation of power of TV transmitters at Ahmedabad and Rajkot from 1 KW to 10 KW, five low power TV transmitters, one each at Bhuj, Palanpur, Amreli, Veraval and Surendrangar have been commissioned in Gujarat during the last three years.

All India Radio;

The transmitter power at Rajkot has been increased from 20 KW to 300 KW.

(d) *Daordarshan:*

A high power TV transmitter at Bhuj, in replacement of the existing low power transmitter at Valsad, Ahwa, Junagarh, Porbandar and Godhara are under implementation in Gujarat, as part of the VII Plan Esta blishment of a TV studio at Rajkot is also included in the VII Plan. The above mentioend pro jects would be commissioned in phases, depending on construction of buildings and towers, availability of the equipment and other infra-structural facilities and annual allocation of resources. An amount of Rs,, 2161 lakh is included in the VII Plan of Doordarshan for TV projects in Gujarat.

All India Radio;

The schemes for setting up of a radio station each at Ahwa, Surat end Godhra and replacement of the existing 50 KW MW transmitter at Ah-medabad by a 200 KW transmitter Are under implementation as part of VII Plan.An amount of Rs. 807.60 lakhs has been earmarked for this purpose.
